

Neighbor to Neighbor 2019 Spring Luncheon Featuring Chef Jacques Pépin Sponsorship Opportunities

Dear Supporter:

On April 11, 2019, Chef Jacques Pépin, 16-time James Beard Award winner and author of 29 cookbooks, will be the guest speaker at Neighbor to Neighbor's annual spring luncheon fundraiser. Each year, donations from this event play a significant role in helping fuel our food pantry and clothing center programs for Greenwich-area residents.

As a nonprofit, we rely heavily on contributions to feed and clothe those in need, which is why we're writing to ask if you would **become an esteemed sponsor** of the luncheon.

Hundreds of Greenwich residents who support local businesses that support our community will attend.

Sponsorship at the **\$2,500, \$3,500 and \$5,000** levels are tax-deductible (to the extent allowable) and benefits include:

- Your name and/or logo placement on pre-and post-event press coverage and local press outlets
- Mentions on our website, our mailing list of over 2,000 households and on social media
- Recognition at the luncheon from the stage, in the program booklet, and signage placement

This seated lunch event, held at Greenwich's Burning Tree Country Club, will feature Chef Pépin in conversation with Debra Ponzek, owner of Aux Delices, and signing of his cookbook, *Poulet & Legumes*. There will also be a private party for a select group of ticketholders with Chef Pépin.

Neighbor to Neighbor creates access to nutritious food, clothing, housewares and living essentials for over 5,000 low-income residents of Greenwich-area residents. We value your consideration and support.
